Retention

Retention rates, recorded annually at the Fall Census (October 15), indicate the percentage of first-time, full-time bachelor's degree-seeking students who:

- Remain enrolled in the institution the following Fall Census (October 15), OR
- Complete a bachelor's degree within one year

For example, students who began in Fall 2023 are considered retained if they remain enrolled in Fall 2024 or have graduated within that timeframe.

Definitions:

- First-Time Student: A student with no prior college experience, including those who attended summer classes before their first fall term or entered with college credits earned in high school
- Full-Time Student (Undergraduate): Enrolled in at least 12 semester credits

Timeframe	Retention Rate
2020 to 2021	63%
2021 to 2022	63%
2022 to 2023	64%
2023 to 2024	61%

Completion Rates

This section details the percentage of first-time, full-time undergraduate students who enrolled as degree-seeking in Fall 2018 and completed a degree or certificate within 150% of the normal time for completion.

Key Categories in These Tables:

- General Student Body Cohort – The total number of enrolled students
- Pell Grant Recipients – Students receiving and disbursing a Federal Pell Grant over the course of the year
- Subsidized Stafford Loan Recipients, no Pell Grant – Students receiving and disbursing a Subsidized Stafford Loan over the course of the year
- No Pell Grant or subsidized Stafford Loan – Students who did not disburse a Federal Pell Grant or a Subsidized Stafford Loan over the course of the year
- Athletic Scholarship Recipients – Students receiving financial aid for participating in sports, categorized by sport
- Gender – Men and Women (Too few non-binary students to report to protect privacy)
- Race and Ethnicity Categories, as defined by Integrated Postsecondary Education Data System (IPEDS)

Definitions:

- First-Time Student: A student with no prior college experience, including those who attended summer classes before their first fall term or entered with college credits earned in high school
- Full-Time Student (Undergraduate): Enrolled in at least 12 semester credits
- Normal Time for Completion: The standard duration for completing a program as defined in the institution's catalog (e.g., 4 years for a bachelor's degree, 2 years for an associate degree, and variable durations for certificates based on credit requirements)
- 150% Completion: The extended timeframe for degree completion, equivalent to 150% of the standard duration (e.g., students have up to 6 years to complete a 4-year bachelor's degree)

4-year average Student Right-to-Know completion rate (150% of normal time): 39%
