1. Classified Positions (for Exempt and Faculty positions, see 3.A.)

- A. All classified staff shall be hired in accordance with guidelines set forth in the Consolidated Statutes of the [Idaho State Personnel Commission](https://adminrules.idaho.gov/rules/current/15/150401.pdf) (<https://adminrules.idaho.gov/rules/current/15/150401.pdf>)
- B. If this is a new position, complete a [New Position Approval Form](#) and a [Position Description Questionnaire \(PDQ\)](#) and submit up the supervisory chain to the applicable vice president (or president for DRUs). After approval by the vice president and/or president, the PDQ will be submitted to the Idaho Division of Human Resources (DHR) and must be approved by DHR before a search can take place. - C. Hiring Process (Classified Staff)

SECTION: 3.0 PERSONNEL

SUBJECT: HIRING POLICY

LC State encourages professional development of its employees, facilitating internal hires when practical. Please refer to the Hiring Process website:

<https://www.lcsc.edu/hr/employeeresources/new-employees/search-committee-resources>

- i. Internal Hire: In most instances, an internal job advertisement will be posted on the HRS web site <https://www.lcsc.edu/hr/employment-opportunities> and the Intranet for at least one week. HRS will send a campus email to all LC State classified staff members to notify them of the open position. This provides an opportunity for internal candidates who wish to move to another job with the same position classification to apply (e.g., Administrative Assistant 1 to another Administrative Assistant 1). If an existing LC State classified staff member wants to transfer to another position classification (i.e., promotion with different pay grade), OR change to another position classification (i.e., lateral move with same pay grade), that classified staff member is required to apply for placement on the state register for that particular position classification (see (2) below).
 - a) **Lateral Transfer:** When an employee applies and is selected to another position in the same pay grade, a salary increase may be approved by the responsible authority. Classified employees must retain their current salary if they are not given an increase. Any deviation from this policy must include exceptional circumstances and be approved by the appropriate vice president (or president for DRUs).
 - b) **Promotion:** To take into account experience, compression and market factors, when a classified employee applies and is selected to a position in a higher pay grade, LC State's goal is for the employee to be hired at 80% of the median of the new pay grade or 10% above their current hourly rate, whichever is greater. Note: Employees may not be paid at a rate greater than the maximum rate of the pay grade assigned to the classification. Supervisors must consider and compare the hourly rates of other employees in the same pay grade. Contact Human Resource Services for the current average of hourly wages for that specific pay grade before making recommendations on new hourly pay rates.
- ii. External Hire: Once a classified position is posted on the DHR web site, all individuals interested in the position must qualify for the position. All candidates must apply through the DHR system. Directions for the application process can be found on
- iii. <https://statecareers.idaho.gov/> . Once the exam process is complete and scored, the individual will be placed on the state register. Applicants are placed on the Hiring List in score order. HRS will request a Hiring List from DHR and forward it electronically to the Search Committee Chair. Idaho law requires agencies to make a hire from the top 25 scores on the hiring list.
- iv. A criminal background check **must** be completed on the successful classified staff candidate before a job offer is made. Please contact HRS to have the background check form emailed to the candidate.

2. Temporary/Irregular Help (IH) Positions

- A. Advertising and formal searches are not necessary for temporary appointments.

 - iv. Final candidates shall be invited for personal interviews.
